December 4, 2013

We are happy to offer you the opportunity to become a valuable sponsor of the Oriskany Little League. We have over 140 little league players ranging in ages of 4 – 12 who take part in the All American sport of baseball while learning the important life lessons of sportsmanship and teamwork.

Recently, our field has been devastated by the Flood of 2013. The flood is requiring us to rebuild our dugouts, renovate our field, and repair our fence and concession stand. In the past, we have not asked for new sponsors or reached out to require any additional financial assistance because we were able to support ourselves through our few sponsors, membership fees and some fundraising. The flood has changed that and we must turn to our community to ask for help.

We work toward building the character and athletics of the youth in our community and hope that the lessons they learn today with us will one day be used to help you in your business in the future. In addition, this field brings the community together and life-long friendships are formed for both the youth and their families. We need to bring our field back to continue the spirit of our community.

Thank you for considering our proposal of sponsorship.

Donations can be sent to the **Oriskany Little League PO Box 518 Oriskany, NY 13424.**

Sincerely,

Oriskany Little League Executive Board –  
Michele Enos, President  
Eric Enos, Vice President  
Shari Corrigan, Secretary  
Fred Burrows, Treasurer
